

East Link Construction Alert: Restricted access to City Hall driveway on 110th Ave. NE; Oct. 3 – 7, 9 am – 3 pm

Sound Transit's contractor will be closing a portion of 110th Avenue NE starting Monday, Oct. 3 which will prevent **northbound drivers** from entering City Hall **from 9am to 3 pm**. This restriction will be in place through Friday, Oct. 7 and is necessary so that tunnel monitoring equipment can be installed. Northbound drivers will need to circle the block either to the west or the east to enter that visitor parking lot from 110th Ave. NE. The eastbound NE 6th Street entrance to visitor parking remains available, as does the southbound left turn from 110th.

The Breakdown:

- If you are travelling **on NE 4th Street**, turns onto 110th Avenue will be prohibited.
- If you are travelling **north on 110th Avenue NE** and reach the NE 4th intersection, you will be required to turn either left or right as a northbound continuation will be prohibited.
